

INVITATION TO STAKEHOLDER AWARENESS CAMPAIGN ON REGULATORY MATTERS IN THE PETROLEUM PIPELINES INDUSTRY

The National Energy Regulator of South Africa (NERSA) is a regulatory authority established as a juristic person in terms of section 3 of the National Energy Regulator Act, 2004 (Act No. 40 of 2004). NERSA's mandate is to regulate the electricity, piped-gas and petroleum pipelines industries in terms of the Electricity Regulation Act, 2006 (Act No. 4 of 2006), Gas Act, 2001 (Act No. 48 of 2001) and Petroleum Pipelines Act, 2003 (Act No. 60 of 2003).

The Energy Regulator would like to invite members of the public and interested stakeholders to an awareness campaign on the regulatory matters pertaining to storage facilities, access to pipeline infrastructure, third party access, tariffs and funding among others in the petroleum pipelines industry.

The aforementioned workshop is aimed at capacitating and providing awareness to the interested members of the public and stakeholders. Presenters from Government, State-Owned Enterprises, storage operators and financial institutions, among others, have been invited to make presentations on their offerings. The workshop has been scheduled as follows:
