

**21 November 2024**

## **MEDIA STATEMENT**

### **POSTPONEMENT OF PUBLIC HEARINGS IN DURBAN**

The National Energy Regulator of South Africa (NERSA) hereby announces the postponement of the public hearings originally scheduled for 21 and 22 November 2024 in Durban. This decision has been made in response to an overwhelming level of interest from the public and requests from stakeholders who wish to attend the hearing.

NERSA remains committed to ensuring that all voices are heard and that everyone has the opportunity to participate in this important public participation process. To that end, we are in the process of securing a larger venue that can accommodate the anticipated number of attendants.

Details regarding the new date and location for the public hearings will be communicated to all interested parties through appropriate channels in due course. We appreciate your understanding and patience as we make arrangements for a suitable date and venue.

We at NERSA would like to extend our sincere gratitude to all stakeholders and members of the public for their enthusiasm and involvement. Your participation is vital to fostering transparency and inclusivity in our regulatory processes.

**End.**
